PROFESSIONAL SUMMARY

Final-year Electronics and Communication Technology (ECT) student with good communication, problem-solving, and teamwork skills. Eager to learn new technologies and contribute effectively in a professional work environment.

TECHNICAL SKILLS

Languages HTML ,CSS,JavaScript ,Python, C Programming

Databases MongoDB

Tools Visual Studio Code , Github

SOFT SKILLS

Communication Effective verbal and written communication

Teamwork Collaborative and cooperative team player

Customer Handling Ability to assist and support customers professionally

Analytical Thinking Problem-solving and logical decision making

Time Management Prioritizing tasks and meeting deadlines

EDUCATION

B.Tech in Electronics and Communication Technology:

SASI Institute of Technology and Engineering, AP – with **CGPA: 7.58**

Intermediate (MPC): A.K.R.G. Junior College, Nallajerla **CGPA: 8.25**

Secondary School Certificate (SSC): Z.P.P. High School, Venkatramannagudem **CGPA: 7.71**

PROJECTS

Employee Management System —

- Developed a full-stack web application to manage employee records with secure user authentication.
- Implemented CRUD operations for adding, updating, deleting, and viewing employee details.
- Integrated REST APIs with MongoDB for efficient data storage and retrieval.

MeetMinds – AI-Powered Meeting Intelligence — *React.js, Node.js, Express.js, MongoDB, Google Gemini API*

- Developing an AI-powered application to generate meeting summaries from transcript data.
- Integrating Google Gemini API to automate Minutes of Meeting (MoM) generation and action item extraction.

ACHIEVEMENTS & CERTIFICATIONS

- Solved 500+ coding problems on CodeChef.
- Certified in C and Python Programming
- MS Office Completed – ATECH Computers
- Achieved Elite + Silver certification in the NPTEL course on Internet of Things (IoT).
